## WARRANTY & CAUTIONS

### Warranty

Instructions are a condensed guide and should not be considered complete. In the  
event of failure, the only obligation of Miracle Sealants Company shall be to replace such  
products proven to be defective. **Before using, user shall determine the suitability of  
the product for their intended use.** User assumes all risks and liability whatsoever in  
connection therein. Neither seller nor manufacturer shall be liable for any injury or  
inability to use this product.

### Caution

**Tile & Stone Penetrating Sealer** contains combustible petroleum distillates. All sol-  
vents must be considered toxic and must be used in a well ventilated area. Good ven-  
tilation means that fresh air is flowing in such a way as to feel a slight breeze. Open  
windows and use fans to circulate air. Continue to ventilate until vapors are eliminat-  
ed. Exposure to high vapor concentration must be avoided. Inhaling the vapors can  
be harmful. Keep away from heat and open flames. Avoid prolonged contact with skin.  
Gloves should be worn at all times. Keep small children and pets out of the area until  
product or surface has thoroughly dried. Refer to the MSDS for additional information.
